

# Our Mission...

At KBC Nursing, we recognize that every human being has unique care needs and we believe in fostering participation in your plan of care.

We provide a level of quality care that encourages the safe and cost-effective delivery of home health services that:

- maximizes patient autonomy and coordination of community and agency resources
- decreases illness burden and unnecessary duplication of services
- promotes positive patient outcomes.

We deliver superior quality home care to residents of the District of Columbia and have solidified ourselves as one of the best home care agencies in the DC metropolitan area!

## Therapies

**Our team of specialized therapists include:**

- physical therapists
- occupational therapists
- clinical social workers
- case managers
