People are often unreasonable, illogical and self-centered; forgive them anyway

If you are kind, people may accuse you of selfish, ulterior motives; be kind anyway

If you are successful, you will win some false friends and some true enemies; succeed anyway

If you are honest and frank, people may cheat you; be honest and frank anyway

What you spend years building, someone may destroy overnight; build and rebuild anyway

If you find serenity and happiness, they may be jealous; be happy anyway

The good you do today, people will often forget tomorrow; be good anyway

Give the world the best you have, and it may never be enough; give the world the best you have anyway.
